# □□□□ MURDER YOU

## The Killer Comedy Whodunnit Where one of **YOU** Did It!

**An interactive, laugh-out-loud mystery where your guests become the suspects, sleuths & stars!**

### □ The Experience

Welcome to **Murder YOU**, the ultimate interactive murder mystery that turns your event into a crime scene – in the best way possible!

Our professional actors lead your guests through 90 minutes of hilarious, fast-paced intrigue. **Six people you choose from your group** become costumed suspects, while everyone else joins forces as *junior detectives* to uncover the killer hiding in plain sight.

The result? Side-splitting laughter, unexpected twists, and the kind of engagement teams talk about **FOR YEARS!**

---

### □□ How It Works

- ☒ **Pre-Show Setup** — Actors arrive ~30 minutes before start time to prep props & coach your chosen suspects.
- ☒ **Meet the Detectives** — Our senior detectives burst in, swear everyone in as junior detectives & divide the crowd into teams.
- ☒ **The Interrogation** — Each suspect is questioned live before the audience. The tension (and laughter) build!
- ☒ **The Investigation** — Teams fan out to grill suspects, analyze clues & compare timelines.

☒ **The Big Reveal** – Detectives announce their findings, hilarious “theories” are read aloud, and the true murderer is revealed with dramatic flair.

☒ *No memorization. No pressure. Just pure fun & engagement that connects your team like nothing else.*

---

## ☐ **Why Teams Love It**

☒ **A brilliant ice-breaker** – a chance to laugh uproariously with colleagues and start the event on a high note.

☒ **Inclusive & accessible** – no acting experience required, everyone can shine.

☒ **Bond deeply through play & storytelling** – shared laughter breaks down barriers & builds genuine team chemistry.
